

Skipper Limited awarded by Power Grid Corporation of India Limited (PGCIL)

- *Awarded “The Largest Tower Supplier” by Power Grid Corporation Of India Limited (PGCIL) consecutively for the second time*
 - *Awarded “ The Best Polymer Brand” by Construction Times*

Kolkata, 15th May 2017: Skipper Limited, one of the renowned Power Transmission & Distribution and Polymer Pipes & Fittings manufacturing players in India, won 2 distinguished awards for outstanding performance in the respective sectors.

In an announcement today, the company shared the news of being awarded “The Largest Tower Supplier” by Power Grid Corporation Of India Limited (PGCIL) consecutively for the second time in the Tower supply category. In an event held in Delhi, PGCIL’s Chairman & Managing Director, Mr. IS Jha handed over the trophy to Mr. Sharan Bansal, Director, Skipper Limited.

In another event held in Mumbai, conducted by the leading magazine Construction Times, Skipper Pipes was awarded “The Best Brand” in Polymer industry. The award was handed over by Chief Guest Mr. Vijay Shitware, Minister of State for water resources and water conservation Govt. of Maharashtra and Guest of Honour Mr. Rahul Shewale, Member of Parliament.

Commenting on the occasion, **Mr. Sharan Bansal, Director, Skipper Limited**, said, *“We are truly humbled to receive this prestigious award from PGCIL India. This milestone is an accolade that certifies, Skipper Limited as one of the market leaders in Power Transmission & Distribution sector. Our focus has always been in line with the current policy of ‘Make In India’ to promote products manufactured within India for the global market place. To us ‘The Largest Tower Supplier’ honor by PGCIL is like a benchmark for reviewing our performances.”*

He further added, ‘The Best Brand’ in Polymer Products by Construction Times is a great accomplishment too and reaffirms our position in the Polymer sector. Our vision is to produce world - class quality products ensuring robust National Infrastructure development and making India the preferred sourcing hub for Global Infrastructure needs.”
