

Skipper Limited secures New Orders

- Secured new orders worth Rs.405 crores in its Engineering Products
- Orders secured for the projects of Power Grid Corporation Of India Ltd (PGCIL) , Transmission Corporation of Telangana Limited (TSTRANSCO) & Power Transmission Corporation of Uttarakhand Limited (PTCUL)

Kolkata, 24 March 2017: Skipper Limited, one of the renowned Power Transmission & Distribution players of the world, announced new orders worth approximately Rupees 405 crores in its Engineering Products segment.

In an announcement today, the company shared the news of securing fresh new orders worth approx. Rs.405 crores for domestic transmission tower supply from Power Grid Corporation Of India Ltd (PGCIL), Transmission Corporation of Telangana Limited (TSTRANSCO) & Power Transmission Corporation of Uttarakhand Limited (PTCUL).

Commenting on the new orders, Mr. Sharan Bansal, Director Skipper Limited, said *“We continue to strengthen our T&D order book. With growing Tariff Based competitive Bidding (TBCB) project volume as well as the increased demand for transmission evacuation for renewable energy projects, we are seeing healthy demand from State Electricity Boards. Also since TBCB and Renewable energy Generation projects timelines are shorter, there is increased focus on faster execution of Transmission networks as well.”*

Mr. Bansal also added “Skipper Limited will remain dedicated on delivering products as per global market standards in India and around the world.”

ABOUT SKIPPER LIMITED

Skipper Limited established in 1981 is one of the leading companies in the Power Transmission & Distribution & Polymer Pipes & Fittings segment. With over 35 years of domain knowledge it is ranked third in India and tenth globally basis the manufacturing capacity. Skipper differentiates its offerings with high quality but cost effective solution for infrastructure providers and telecom operators.
