

Skipper Limited continues its winning streak

Awarded as 'Largest Tower Supplier' by PGCIL in the tower supply category

Kolkata, May 04, 2016: Skipper Limited, one of the renowned Power Transmission & Distribution and PVC Pipes manufacturing players in India, has been honoured with the prestigious 'Largest Tower Supplier' award by Power Grid Corporation of India Limited. The award ceremony was held in Gurgaon recently.

Skipper Limited, known for its business proficiency in the power transmission manufacturing in India was felicitated with the award by honorable Mr. I S Jha - Chairman & Managing Director, PGCIL and Mr. R P Sasmal - Director (Operations & Projects), PGCIL. Mr. Sharan Bansal, Director, Skipper Limited received the award on behalf of the organisation at the ceremony during the collaborative session held by PGCIL 'Interactive Session with CEO's'.

Commenting on the occasion, **Mr. Sharan Bansal, Director, Skipper Limited**, said, 'This award is yet another milestone in Skipper Ltd.'s success journey and is a testimony to the unflagging efforts by the team to make Skipper Ltd. a successful Power Transmission & Distribution company. PGCIL is widely recognized not only in India, but also across the globe. This accolade is considered to be a benchmark for reviewing performances within the Industry. Our motivation at work has always been to support the current policy of 'Make In India', which aims to promote products manufactured within India in the global market place. We are delighted to win this award and I would like to congratulate the entire Skipper team for the constant effort they have put in to make this possible.'

ABOUT SKIPPER LIMITED

Skipper Limited established in 1981 is one of the leading companies in the Power Transmission & Distribution and the PVC pipes segment. With over 30 years of domain knowledge it is ranked third in India and tenth globally basis the manufacturing capacity. Skipper differentiates its offerings with high quality but cost effective solution for infrastructure providers and telecom operators.

Its international footprint spans across continents such as Latin America, Europe, Africa and is spread across 20 countries with presence across sub-segments such as towers, EPC, monopoles and poles. The company has been recently recognized as one of the fastest growing Transmission Tower companies in India on various forums.

Till last year, Skipper Limited was a regional powerhouse in the PVC pipe business for Eastern India. In the current year the company has expanded to cater to Western region of the country through the Plant in Ahmedabad and North Eastern region through the newly commissioned plant in Guwahati. A new plant in Sikandrabad is in the pipeline to cater to the northern region of the country, thus having a pan India presence. Under the brand name of 'Skipper', the company manufactures premium quality PVC pipes which serve both, the agricultural as well as plumbing sectors. Skipper Limited is listed at BSE (538562) and NSE (Symbol: SKIPPER) in 2014 & 2015 respectively.
